

2 Minute Fashionista Questionnaire to Help Us Guide Your Tour

Our fashionista Tour is here to connect you to the world's finest shops and most important showrooms with individuals like you that are searching for something unique. Santa Fe is the global destination for those who must have bespoke treasures - from around the world - that would otherwise be inaccessible to shoppers and collectors around the world.

The casual yet sophisticated atmosphere in Santa Fe is one that allows people to "bloom" and discover dressing in a way that embraces their own unique sense of style that you would never see repeated anywhere. Realizing the value of this idea, our tours encourage you to free your senses enhancing your stay with rich and unexpected experiences that will become memorable stories.

We have a few questions for you to help your fashionista guide, Tonia, curate this tour just for you! All you need to do is write your answers in your reply.
