- Be sure to drink lots of water on your journey.
- Bring a daypack, preferably a backpack, for easy transport of your personal belongings while hiking through the park.
- Wear comfortable walking/hiking shoes to enjoy exploring the dirt hiking trails. For SUP a water shoe or sandal is perfect. Bring swimsuit, yoga pants and rash guard for waterproof clothing.
- Dress with layered breathable clothing, because New Mexico weather can change without much notice, and have a rain layer like a parka, your warm jacket for by the fire or cooler temps and light long sleeve layer to protect your skin.
- Bring a pair of shower shoes, flip flops or a cros style shoe is recommended. Will also be great for enjoying your tent.

- A pack towel if preferred for your showers, we provide you with a cotton towel. We will provide biodegradable soaps for showering. If you are bringing your own, please be sure they are biodegradable.
