What are custom-crafted tour itineraries?

Sometimes, you have a special event, particular interest, or a specific theme that motivates your travel to New Mexico and you can't seem to find the right neatly prepackaged tour befitting that idea. And, that's where we can help! Since Heritage Inspirations is New Mexico's premiere tour company, we have worked hard to develop strong regional connections. You can leverage those connections and our local knowledge to personalize and implement an individually tailored day excursion or multi-day adventure, thereby creating a specially developed and designed New Mexico experience based entirely on your needs.

Through us, you can exclusively design a custom-crafted tour itinerary in order to build an extraordinarily unique and unforgettable New Mexico experience.

Did you know Heritage Inspirations can help you make a custom-crafted New Mexico tour?

Why choose us to create your specialized itinerary?

✪ Because we can create themed tours that tell your story

New Mexico is incredibly special and has amazing opportunities to explore the history, cultures, people, and places that make it unique. Since our mission is to take you beyond the ordinary tourist route and transcend her boundaries, we love to use this backdrop to tell distinct stories. So, whether you want to delve into Puebloan culture and food, or explore the evolution of pre-historic to modern architecture, or learn about New Mexico through a trivia scavenger hunt, we can create a themed tour based on your given interest.

✪ Because we can accommodate larger groups

Our normal pint-sized tours are specifically built for smaller groups so we can focus on each participant, ensure safety and comfort, and not overwhelm tour locations. But with prior coordination, we can accommodate more people and develop itineraries that consider the circumstances necessary for sizeable groups. In fact, if you have a larger group it would be best to create a custom-crafted itinerary so we can arrange the right amount of staff, transportation, go to appropriate sites, and provide an unmatched experience.

✪ Because we are family friendly

Multi-generational outings are hard for many tour operators to manage but we've got you covered. Our guides know how to manage kids, will carefully monitor and assess potential health concerns, and treat all participants, regardless of age, with respect. So, if you have three generations wanting to take an outing together, we can tailor a program that takes age, ability, and multiple interests, into account.

✪ Because we are passionate about New Mexico and have years of cultivated expertise

Before launching Heritage Inspirations, the owner had years of New Mexico experience as an active travel guide for a variety of premiere adventure companies. She loves it here and it shows! No matter what you're looking for, with our fostered good relationships and our fascination with all things New Mexico, you'll benefit from our localization and our deep admiration for this state.

★ **Because you can save time and energy**

Trying to put together the details of a travel itinerary from afar is a daunting task, especially when you have a million other things to see to. Make it easy on yourself by using our existing network and knowhow. It's much easier for us and it will save your precious sanity.

★ **Because you can mix & match our existing tours**

Our curated guided tours go anywhere from half-day and full-day excursions to multi-day adventures in and around the Albuquerque, Santa Fe and Taos regions, and because of those wide-ranging tour options, you can readily mix and match them into a regional immersive tour package.

★ **Because you will get reduced rates & discounts**

Most of our tours have gradually reducing rates when more guests participate because our general costs get covered with the more people we have. Thus, larger groups offer better value for their money. Plus, because of our partnership with Heritage Hotels, we offer discounts on premium lodging facilities throughout our tour regions.

★ **Because you can receive customized add-ons**

With our connections and local knowledge, we can easily set-up customized options based on your themed event or intended travel package. Do you want to meet local artisans and watch them make their craft? Or maybe you want to have a specially prepared meal with a chef that knows typical New Mexican cuisine? Or would you like to craft your own traditionally baked Puebloan bread? No problem, because we can arrange all of those add-ons and we have lots of ideas to make your itinerary special. There are so many possibilities beyond what you see in our normal tours and we'll gladly put something together customized especially for you.
